There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

#### Woman Finally Recovers From Nervous Breakdown

Impoverished nerves destroy many people before their time. Often before a sufferer realizes what the trouble is, he is on the verge of a complete nervous breakdown. It is of the utmost importance to keep your nervous system in good condition, as the nerves are the source of all bodily power. Mrs. Anna Kounz, 211 Mechanic St., Pueblo, Colo., says:

"For many years I suffered from nervous prostration; I was unable to do any house work and doctors failed to help me. Remedies I tried from druggists did not do me a particle of good. A neighbor told my husband about

#### Dr. Miles' Nerve

and he procured a bottle. After the first few doses I showed a marked improvement and after taking two bottles I was entirely cured. I have been perfectly well for years and cannot praise Dr. Miles' Nerve too highly."

If you are troubled with loss of appetite, poor digestion, weakness, inability to sleep; if you are in a general run down condition and unable to bear your part of the daily grind of life, you need something to strengthen your nerves. You may not realize what is the matter with you, but that is no reason why you should delay treatment.

#### Dr. Miles' Nerve

has proven its value in nervous disorders for thirty years, and merits a trial, no matter how many other remedies have failed to help you. Sold by all druggists. If first bottle fails to benefit your money is returned. MILES MEDICAL CO., Elkhart, Ind.

#### THE ENEMY OF CHILDHOOD.

The greatest enemy of childhood is the tapeworm and similar parasites. They are the direct cause of the loss of thousands of children who were so weak and sickly because of the pernicious action of these pests that they became easy victims of disease. The best protection against worms is to give the children an occasional dose of WORMS' CHIEF ENEMY. It not only removes worms, but acts as a general tonic to the stomach and bowels.

## FOR HUMAN OR ANIMAL FLESH

A remedy that is equally efficacious in healing the wounds, sores, sprains or other ailments of the flesh of man or beast.

# BALLARD'S SNOW LINIMENT

A healing remedy to effectively meet the needs of animal flesh need not be a harsh, strong mixture, too drastic for the human body; Ballard's Snow Liniment is proof of this. It ranks with the best of the disease-curing remedies designed for man; and it is equally as prompt in curing the wounds and flesh lesions common among animals. Owners of blooded horses prefer it to any other liniment because it leaves no disagreeable scars in any of the minor accidents or ailments. It heals by a mild power to which the flesh of horses responds readily.

It is of great value in healing harness galls, barbed wire cuts, wounds, festering sores and many other ailments to which horses are subject. In the relief of human suffering it has done a world of good, particularly in easing the pains of rheumatism, neuralgia, sciatica and lumbago. When gently rubbed in, where the pain exists, it gives a most gratifying relief to the afflicted. As a household remedy for cuts, burns, bruises, sprains, contracted muscles, stiff neck, frost bites, swellings, chilblains, it is nothing better on earth.

Put Up in Three Sizes, 25c, 50c and \$1.00 per Bottle.
